What's Next? Cars Land and Buena Vista Street Debut in 2012, Aulani Resort Set to Open in Hawaii, Plus New Cruise Line Itineraries

ANAHEIM, Calif. (June 3, 2011) – As Disney Soundsational Summer gets underway, even more excitement is coming to Disneyland Resort, where the premiere of the all-new **The Little Mermaid ~ Ariel's Undersea Adventure** is just the latest milestone in the ongoing expansion of Disney California Adventure park. The distinctive peaks of the Cadillac Range are already visible on the horizon beyond Pacific Wharf, signaling the creation of **Cars Land**, the all-new 12-acre land set to open in 2012. And work on the newly themed Disney California Adventure entry gate into **Buena Vista Street**, complete with **Red Car Trolleys** and the distinctive **Carthay Circle Theatre**, will continue through 2011 for a 2012 opening.

GOOFY'S SKY SCHOOL, NEW RESTAURANTS MARK THE COMPLETION OF PARADISE PIER: On July 1, the newly refreshed Paradise Pier area of Disney California Adventure will be complete, with the opening of **Goofy's Sky School**, the zany coaster attraction inspired by the classic Goofy "How-to" shorts of the 1940s and 1950s. New Paradise Pier dining locations opening July 1 are **Paradise Garden Grill**, featuring a Mediterranean-inspired menu; **Boardwalk Pizza & Pasta**, featuring pasta dishes, garden salads and individual flatbread pizzas; and **Bayside Brews**, serving pretzels, beer and other beverages.

COMING IN 2012 AT DISNEYLAND RESORT – HIT THE ROAD WITH MATER AND LIGHTNING MCQUEEN! Some of the biggest thrills in Disney California Adventure expansion may still be yet to come. Crowning the multi-year expansion project in 2012 will be the opening of **Cars Land**, inspired by the Disney•Pixar blockbuster "Cars." **Cars Land** will feature three immersive family attractions showcasing characters and settings from the movie, including one of the largest and most elaborate attractions ever created for a Disney park: **Radiator Springs Racers**, a twisting turning, high-speed adventure through the town and desert valleys of Radiator Springs. Other Cars Land attractions will include **Luigi's Flying Tires** (striking a chord with anyone who remembers the Flying Saucers in Tomorrowland) and **Mater's Junkyard Jamboree**, a spinning attraction with a musical, hoedown theme.

Guests in this land also will enjoy new, "Cars"-themed dining and shopping locations.

A NEW ENTRANCE – BUENA VISTA STREET WILL WELCOME GUESTS INTO DISNEY CALIFORNIA ADVENTURE: As work on the expansion of Disney California Adventure nears completion, guests will be welcomed through a new entrance gate and into **Buena Vista Street**. The transformation will immerse guests in the atmosphere Walt Disney experienced upon first arriving in Los Angeles in the 1920s. **Buena Vista Street** will feature **Red Car Trolleys**, inspired by the transportation system that once served Southern California, and the **Carthay Circle Theatre**, modeled on the site of the 1937 world premiere of "Snow White and the Seven Dwarfs." **Carthay Circle Theatre** will become home to a new lounge and an elegant restaurant, designed to be the premiere dining location in Disney California Adventure.
